CLEAN AIR MOMS ACTION CONGRATULATES SENATOR-ELECT JACKY ROSEN

Clean Air Moms Action spent \$500,000 to support Rosen this year

Clean Air Moms Action congratulates Senator-Elect Jacky Rosen on her victory. Clean Air Moms Action, a project of EDF Action, spent \$500,000 on [a statewide television buy in July](#), and engaged in a four-month grassroots organizing effort, to support Sen.-Elect Rosen in her victory.

“Jacky Rosen will put the health and well-being of Nevada’s families first. She will fight for our children, especially the 45,000 Nevada children suffering from asthma, by standing up to big polluters,” said Felice Stadler, Director of Clean Air Moms Action.

“Clean Air Moms Action is proud to have played a role in helping elect Sen.-Elect Rosen to the U.S. Senate, and we look forward to continue working with Senator-Elect Rosen and all our leaders to build a healthier, more prosperous future for our children,” said Stadler.

Clean Air Moms Action is the advocacy action partner of Moms Clean Air Force, a special project of the Environmental Defense Fund and its partner EDF Action. As moms, we are building strong, bipartisan support to protect our children from the health impacts of air pollution – including the urgent crisis of our changing climate. By cultivating unlikely political support and mobilizing an army of concerned parents, we work toward keeping toxic chemicals out of our homes and bodies and delivering climate change solutions big and small.
